Commonwealth Games 2014 Nomination Policy - Addendum

Since the Federation signed-off its nomination policy, the outcome of the CGF General Assembly in St Kitts has raised the prospect of two further events being added to the shooting programme for Glasgow. These are Skeet Women and Double Trap Women.

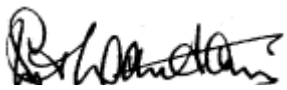

Accordingly, proposed Minimum Consideration Standards for these events are as follows:

Shotgun discipline

Skeet Women 63

Double Trap Women 87

All other aspects of the Nomination Policy apply.
